ABOUT

Black Wolf Blues are a blues rock band from London. A unique kind of sound is the band's trademark, by blending the characteristics and essence of the blues and delivering it with the attitude and fire of a hard rock band. The band have their own website always kept updated with exclusive content. They perform regularly at popular venues in London on partnership with Hot Vox. They are currently recording their second studio release, a smoking hot EP with its first single to be released in a couple of months.
